

# **Michael Goonan**

## ***Director***

Mike Goonan is an executive vice president located in Boston and recently assumed responsibility for a large part of State Street Global Operations encompassing Derivatives Processing, Securities Valuation, Cash Availability, Corporate Actions, Income, Tax, Class Actions, Bank Loans and EMEA Operations. In this role he sets strategic direction and provides managerial oversight for an organization that comprises 1,400 staff located in 11 locations around the world.

Mike has been with State Street for more than 14 years and was previously within Investment Management Services at State Street's Irvine, California office. He managed the global investment management operations outsourced by various clients including PIMCO, Lazard Asset Management, Wellington, Babson Capital Management, and GIC. He began his career in securities processing in 1982 and has held senior management positions in sales, relationship management, trading and operations at Deutsche Bank, Clearstream, Yasuda Bank & Trust and J.P. Morgan. This included several years living and working in England and Luxembourg. Mr. Goonan attended New York University and the University of Notre Dame and holds a B.A. in Economics.
