

John Rochelle ***Vice Chairman***

John Rochelle is Vice Chairman of the Board of Directors at Patient Airlift Services since its inception and acts as a superlative model of leadership. John is a retired Custom Building Contractor, both commercial and residential, and specialized in large custom residential building projects.

John has substantial experience in governance of charitable organizations and has performed public outreach and fundraising. Among his many accomplishments, John has served on the boards of volunteer pilot organizations, numerous builders associations and artistic and religious foundations. John estimates that he has flown over 330 flight missions and approximately 3000 hours of flying for volunteer pilot organizations.

Regarding his leadership and flying efforts on behalf of PALS John states, "Family aside, this is the best thing I've done in my life."

John lives in Pennsylvania with his wife Diane and has a daughter, a son, three grandsons and one granddaughter.
